

In St. Bede's School

We are tolerant of all faiths by:

belonging to many different faiths;
we all worship in different places;
we learn about Christianity, Islam,
Hinduism, Judaism and many other faiths.

We are a democratic school:

our school council helps to make decisions;
our parents help to govern the school;
we vote for pupils responsibilities;
we choose next steps in our learning.

We promote personal liberty:

we choose where and what we play;
we can express our likes and dislikes;
we can develop our talents;
we can choose how we look and how to present our work.

We respect all in our school by:

having good manners all the time;
being kind, caring and forgiving;
being good listeners;
treating others how we would want
to be treated.

We follow the school rules:

our class rules help us to be good learners
and ensure others can learn;
we help our friends to behave nicely;
our parents help the teachers with our
behaviour.
